## Message from the Team ...

We're back! After a well deserved holiday break, we're all ready to take on 2008 with a vengeance! We apologise about the lateness of this issue, but I am sure you will forgive us, as this issue has the 2008 TTS calendar tucked in with it, so it was well worth the wait! Enjoy 12 months of dreaming what your Rig could look like! Forget the girlie calendars! Stick our Calendar on your wall and start dreaming up your ideal Rig! Give us a call for a quote.

We have a huuge year planned! There are heaps of exciting changes in store – New people, new lights and stainless products, new designs, and a new looking store! The renovations are finished, (thank \$%#@! Says Meeka) there is plenty more room for the workshop to fit more trucks in, and more warehouse storage space for more stock!

There is a new variety of stainless bling in the pipeline! Check out some pics in this issue of the latest International Eagle we have decked out for MITC!

Until next month...

*Keep on Truckin!*

## CONVOY FOR KIDS

## JOKES ON US

1 To fix a woman you need Time and 3 Therefore  
 Money = Time + Money  
 Woman = (Money)!

2 "Time is money" is  
 Time = Money  
 Money = Problems!

3 Therefore  
 Woman = Problems!  
 Woman = Problems!

## The latest in Shiny Stuff...

Here are the newest stainless steel products for International Eagle TTS has to offer! All of the LED's used were the new multi volt mini and medium lights. (See previous page in what's new.

Don't worry, these products will be available for all types of Rigs soon enough!

The VICTIM!! – 9900 International Eagle

Above: New style air cleaner lights!

Right:  
 New style wings  
 and under cab trim.

This Eagle was modelled on a picture of a similar Eagle in an American calendar. Thanks to the superior expertise of our 'engineers' We matched it up exactly!! Looks AWESOME!

You'll be able to see her at Melbourne International Truck Centre in Dandenong South.

What we did:

LED roof lights, Sunvisor with lights, Mirror lights, air cleaner lights (facing front and back) Elephant ears, LED indicators, SS Bug deflector, Texas Bar, Under door and cab trim with LED's, Exhaust shrouds, SS wings with LED's Propellor plate toolboxes, walkplates, custom SS guards, SS Chrome outriggers, and accessories.

To enter, post or email high resolution jpeg images to: [info@truckerstoystore.com.au](mailto:info@truckerstoystore.com.au)  
Please include at least 2 photos (side & front views) with a brief description about your 'Rig'!

Congratulations to Terri and Charlie Lynch from Lockhart NSW, for this month's pick of the month! This very cool looking K104B Kenworth 2007 model is fully equipped with a 2.8 metre Cab. She goes anywhere between Rockhampton to Melbourne and runs a single e-x-t-e-n-d-a-b-l-e trailer! She is powered by a CAT C15 Rated at 550hp.

I caught up with Terri Lynch via email, stuffed her name up and called HER Tony! It became very apparent he was a she when she called.. (Aaaaah, yes the beauty of email...)

**Who did her paint job Terri?** She was lined and signed at Auto FX in Wagga.

**Any Truckers Toy Store bits on her?** Most of the truckers toy store bits are on the inside (Gold interior).

**Lovely.... Any other competitions won?** No. Probably because she's just a baby... Well she's a winner now! **Who drives her?** Owner/Driver Charlie Lynch.

**Good stuff! Here's a \$100.00 Gift Voucher to go towards some more snazzy TTS stuff.**
